Vantage New Generation Model 2024

Estimated available date: March 2024

Body type: Coupe

Drive type: RWD

Fuel type: Petrol

Transmission: Auto

Horsepower: 665 Hp

Segmentation: F

[Home | Cars](#)

[Home | LCVs](#)

Info: The current generation of this coupe has been on sale since 2018 and, after six years on the market, it receives a very notable update. The end result is a much sportier car than before. This Aston Martin brings the Mercedes-AMG's 4.0-liter V8 engine which now reaches 665 HP, compared to the 510hp of its predecessor. This notable improvement is due to important technical modifications, such as larger turbos and a modified compression ratio.
